

# The Womb of The Dawn

## Lyric Poems by Gabriel Hudelson

Phrase “Twilight Men” coined by Beall Phillips; used with permission. “The Womb of The Dawn” arranged from Psalm 110. “The Fall of Jerusalem” arranged from a combination of Scripture passages.

Lyrics are arranged to make sense- they are not exact duplicates of the lyrics in the pieces to prevent confusion. Repeated phrases have generally been omitted. Some lyrics have been replaced with wordless vocalizations in the recordings.

### **The Womb of The Dawn:**

The Lord has sworn  
And will never change His mind:  
Sit at My right hand  
Until I make Thine enemies  
A footstool for Thy feet;  
Thy youth are to Thee as the dew

Rule in the midst of Thy foes;  
Thy people will come freely in  
The day of Thy pow'r.

Thy youth are to Thee as the dew,  
And all Thy people  
Shall come freely  
In the day of Thy power,  
In holy array,  
From the womb of the dawn.

The LORD will stretch forth  
Thy strong sceptre;  
Thy youth are to Thee as the dew;  
The LORD has sworn...

Thou art a Priest  
Forever  
Forever

The LORD is at Thy right hand;  
He will judge among the nations;

The LORD will stretch forth  
Thy strong sceptre  
From Zion, saying rule in the midst  
Of Thine enemies, He will shatter kings  
In the day of His wrath

He will judge;

Thy people will volunteer  
Freely in the day  
Of Thy pow'r  
In holy array  
From the womb of the dawn;

The LORD will judge among the nations;  
The LORD will shatter the chief men;  
The LORD will fill the land with corpses;  
The LORD is at Thy right hand;

The LORD is at Thy right hand!

**Because I Love You:**

It won't be long;  
Be safe, be strong;  
It's but a short goodbye,  
Smile, don't cry,  
For I'm coming,  
Because I love you!  
I'll never leave you!  
I'll not forsake you!

Wait the day yet win the night;  
Ev'rything will be alright.

Why dear?  
Because I love you!  
I'll never leave you;  
I'll not forsake you;  
Because I love you, dear,  
Never fear.

Just watch and pray and remember  
The cold of December  
Makes sweeter the flowers of spring.

So wait for me;  
Soon I'll be  
Coming home  
To you.

**The Fall of Jerusalem:**

O Jerusalem,  
All these things shall come,

Shall come to you.

O Jerusalem,  
O Jerusalem,  
You were unwilling...

Behold, your house left to you!

For I say unto you,  
From now on you  
Shall not see your Messiah  
Until you say-

Truly I say to you,  
All these things shall come!

Flee to the mountains;  
Do not turn back!

Not one stone  
Shall be left  
Upon another  
Which shall not be torn down!

There will be a great tribulation  
Such as has not been seen on the earth-  
Flee!  
Behold I have told you!

Do you not see these things?  
Not one stone here shall  
Not be torn down.

O Jerusalem,  
O Jerusalem,  
Behold!  
Behold!  
Behold!

Upon you shall fall  
The blood of all  
The righteous shed  
On earth!

Behold days are coming  
When The LORD shall be their God!

O Jerusalem,  
O Jerusalem,

He shall be thy God;  
Your Messiah has come,  
But you shall not see Him  
Until you say:

Blessed is He  
Who comes  
In The Name  
Of The LORD

**Twilight Men:**

O farewell  
To you, Twilight Men;  
Though soon gone,  
You'll live on  
In our mem'ry;

We recall  
All that you have been;  
Strength and youth  
Shown in truth  
As ephem'rae

But lives on  
What you died to save  
And will last  
When you've passed  
Long beyond the grave

Streams of tears,  
Shed for Twilight Men;  
Tears goodbye,  
Tears that cry,  
"Please don't leave me,"

Tears of joy,  
Time and time again  
Shed by those  
Who repose  
In your vict'ry,

So though you  
Will have gone away  
What you've left-  
Though bereft,  
We are free today!

So farewell

To you, Twilight Men;  
So soon gone,  
You'll live on  
In our mem'ry;

Thank you so  
For all you have giv'n  
For the years  
And the tears  
You have carried

And we pray  
God will give us men  
Who will stay,  
Will not stray,  
Be as you have been!

Dearest Lord,  
Give us strength, we pray;  
Let it not  
Be forgot-  
Your great mercy;

How You've made  
Through our Twilight Men  
What we hold  
Dear as gold  
Their great legacy

And for Christ's  
Crown and Covenant,  
Make us faithful  
To build  
On what You have sent

Through Twilight Men.

**This Side of Paradise:**

The mountains flee  
The canopy  
Of heaven breaks;  
The ocean quakes.

Rivers all clap their hands;  
Zion in beauty stands;  
Bright as the dawn.

Though there is darkness yet...

Do not dare close your eyes  
This side of Paradise!

The LORD reigns,  
Let nations tremble before Him!

And the symphony of History  
Will shatter every enemy  
'Til all flesh will humbly bow  
Low before His throne!

His throne!

His story is not done!  
It has yet just begun!

So let us run, let us sing  
And let us fight for our King!

At The Name of Jesus  
Every tongue will confess

That Jesus Christ is Lord;  
His rod shall rule the world.

Now and always.
